

## **QC Analyst (Raw Materials)**

Charlottetown, PEI

Dosecann is a Canadian licensed dealer dedicated to developing Cannabis Solutions for the global cannabis industry. Dosecann has assembled a world-class team housed in a purpose-built, 42,000 sqft. GMP compliant facility that will be the hub for cannabis extraction, product innovation and formulation.

### **About the role**

The Quality Control department is seeking to fill a full time QC Analyst role, to manage the Raw Materials testing program at Dosecann.

Reporting to the Lead Quality Control Chemist, the QC Analyst will be responsible for receiving raw materials, incoming material inspection, maintaining and cleaning of the sampling room, scheduling sampling, performing QC tests, and shipping samples to the contract testing lab. The QC Analyst will also be responsible for ordering QC supplies and controlling inventory in the ERP system.

Additional responsibilities may include verification of incoming raw cannabis weights, receiving samples into the ERP system and generating monthly Health Canada Inventory reports.

### **What can you expect to do:**

- Manage cleaning and use of the QC sampling room
- Manage all incoming material inspections
- Review, edit, format documents from all departments
- Testing of raw materials in the QC laboratory
- Use the internal ERP system to update receipt of materials, testing progress, and ordering of materials

### **What we're looking for:**

- University degree or college diploma
- Experience in Quality Control
- Knowledge of GPP and/or GMP

### **What will set you apart**

- University degree or college diploma
- Experience in Quality Control
- Knowledge of GPP and/or GMP

### **How to apply**

Please email your resume and cover letter to [careers@dosecann.com](mailto:careers@dosecann.com) and quote "QC Analyst (Raw Material) - Dosecann" in the subject line.
