

**GO FIGR**

## **WE'RE HIRING! FIGR IS LOOKING FOR A NEW BUILDING MAINTENANCE WORKER!**

The successful individual will be responsible for general building maintenance: install, troubleshoot, repair and maintain production and facility equipment/fixtures at our facility. While adhering to safety policy and procedures.

Qualifying individuals must be capable of working in a fast-paced environment. We are in a rapidly evolving industry and we are growing quickly, therefore this team member must be flexible with helping in other areas as needed. The ability to learn quickly and react to change is viewed as a very strong asset.

### **Regular Duties:**

- Perform general repairs and preventative maintenance on a variety of equipment, fixtures and buildings.
- Monitor the condition of the automatic/robotic equipment and mechanical systems in the buildings.
- Minor plumbing and welding work.
- Conduct maintenance activities ensuring tool control and product safety.
- Maintains a clean and organized work environment.
- \*\*Other duties as assigned.

### **Qualifications:**

- Minimum of 4 years' experience and knowledge working in an electrical and mechanical position.
- Must be able to work proactively and take initiative on maintenance projects.
- Previous general maintenance experience is required.
- Experience with automatic or robotic equipment is an asset.

### **Salary and Benefits**

**Wage:** To be Negotiated

**Hours:** Full-time Permanent (Works days, evenings, weekends)
