

## Looking for finance, accounting or other staff with business acumen?

Hiring the right people in today's competitive environment is challenging.

When you hire a Chartered Professional Accountant, you can rest assured that you're hiring a professional with the financial proficiency, strategic vision and commitment that will help your organization compete and succeed, at home and abroad.

As an employer faced with hiring a CPA student or CPA, we can provide you with the tools and information you need to have a competitive advantage over other organizations.

As a strategic decision maker in your organization, we invite you to attend a complimentary lunch & learn session presented by the Chartered Professional Accountants of Prince Edward Island in conjunction with the PEI BioAlliance.
